Letter No 525/533 dated the 26th May 1915 from the Secretary to the Government of India Home Department (Judicial), to certain Local Governments and Administrations

With reference to the correspondence ending with your letter/telegram No dated ----- I am directed to invite the attention of the ~~Governor in Council~~/Lieutenant Governor (in Council) to the ~~your~~ attention

Indian Soldiers (Litigation) Ordinance 1915 Ordinance No. II of 1915 which was published in a Gazette of India extraordinary on the 5th May 1915 and to convey the following remarks in connection with the rules which must now be framed under section 10.

2. The Government of India consider that the Collector of the district in which an unrepresented Indian soldier, who is a party to a proceeding in a Court ordinarily resides should be prescribed as the authority to whom the courts should give notice under section 4 of the Ordinance the manner in which such notice should be given might be settled by the local Government in consultation with the ------ Court (or the ~~Judicial Commissioner~~ Chief Commissioner/Judicial Commissioner of ~~Sind~~/Oudh/Upper Burma).

As regards section 5 rules are required defining the manner in which the authority referred to in section 4 shall certify to the Court that a postponement of the proceeding pending before it is necessary and the periods for which different classes of proceedings shall be postponed. The Government of India leave the settlement of these matters to the local Government in consultation with the High Judicial authorities, but I am to remark that the object of defining the manner of certifying was that due regard should be paid to the susceptibilities of tribunals higher than that of a district judge In such cases it may be desirable to provide

that the certificate shall be forwarded through some authority superior to the district officer. Similar remarks apply to the manner of certifying under section As to the periods of postponement to be prescribed under section 5, provision should be made after consideration of local conditions. *Whether the period should vary in proceedings for desertion - description*

Under section 9. the Adjutant General in India should be prescribed as the authority to whom reference should be made when a civil or revenue court is in doubt whether an Indian soldier was at any particular time serving under war conditions

Separate orders will be issued by the Government of India in the Army Department declaring under section 2 of the Ordinance what service in India is service "under war conditions"

Finally the Governor General in Council desires that, with due regard to local conditions, executive orders should be issued to the effect that in respect of the Government revenue demands the interests of Indian soldiers serving under war conditions shall be protected until they are in a position to attend to them after the war and that proceedings to ~~enforce~~ their attachment shall not be undertaken in their absence. I am to request that if the Lieutenant Governor in Council / Governor in Council see(s) no objection action may be taken accordingly
